HOW TO DESIGN

1. Choose design 327
2. Choose combination
3. Choose fabric or leather
4. Legs included

LEGS

Black

Great details and luxurious comfort makes Desio unique in many ways. The first thing to catch your eye is the organic shape and contemporary design. Desio has high back cushions in an exclusive feather mix for increased seating comfort. You can move the back cushions around and create your own favourite position. The slim frame is combined with a narrow and elegant back for a modern design. You can use the back to place and enjoy your laptop or iPad while seated comfortably.
